SHIRLEY VALENTINE

By Willy Russell

**Saturday
October 24th
7:00 pm, \$7**

Starring Carlisle Ellis

Shirley is a 52-year-old housewife from Liverpool who is feeling less than alive these days, bogged down in a relationship that feels stale, as she tells her kitchen wall. She's got the chance to spend a fortnight in Greece, but she can't just up and go, leaving her husband to fare for himself. She goes anyway, on a journey that ends up meaning lots more than just sunny days on the beach with a good book. She finds herself, and, to her amazement, she likes herself! The audience will be on board with Shirley from the get-go! Starring Carlisle Ellis, a veteran Tucson performer, you won't be disappointed!

Shirley Valentine by Willy Russell

Starring Carlisle Ellis

Saturday
October 24th

7:00 pm, **\$7**

Shirley is a 52-year-old housewife from Liverpool who goes on a journey that ends up more than just a good vacation. She finds herself, and, to her amazement, she likes herself! You'll be on board with her from the get-go! "Shirley Valentine" is one of those comedies that is sturdily built, packed with crowd pleasing moments and witty one-liners. If you've got an above average actress playing the title role, Willy Russell's one-woman play is almost fool-proof. Starring Carlisle Ellis, a WAY above average veteran Tucson performer, you won't be disappointed!

Important Member Survey!

The El Morro Area Arts Council, in striving to listen to the needs of our members and our community, has put together a comprehensive questionnaire that you will receive in the mail. Your response is important to us! The survey covers a lot of bases; we want to know how you think we're doing, what you love about EMAAC and what you think we could do better. A lot of thought and effort went into this survey, so please take the time to respond. Questions range from broad to very specific. *We look forward to hearing from each of you!* If you don't receive a form in the mail, and would like to be included, the survey will be available at the Gallery.

From the Executive Director

Congratulations to the Visual Journals Group on a very fine showing in the Artists' Quarter! They sold much of their work and visitors to the Gallery enjoyed talking with the artists. While 08-09 finished up as a pretty shaky year financially, I am happy to report that EMAAC was one of 17 out of 63 applicants in the state to receive funding through a special grant to preserve jobs in the arts. In our case, the funds are dedicated to salary support for your Executive Director. Applause to the CowPatties! Their shows were great and donations are still coming in to help buy new sound equipment for the Gallery. Welcome new members! We're doing something right; our membership has grown more this year than in any of the past 5 years, reflecting our unique organization and the wonderful community we live in!

Local Sustainable Organic Movement and the food you eat...

“FOOD FIGHT”

Winner of 13 Film Festival Awards

Over the course of the 20th century, our food system has been co-opted by corporate forces whose interests do not lie in providing the public with fresh, healthy, and sustainably-produced food. Fortunately for America, an alternative emerged from the counter-culture of California in the late 1960s and early 1970’s, where a group of political anti-corporate protesters voiced their dissent by creating a food chain outside of the conventional system. The unintended result was the birth of a local-sustainable-organic food movement, which has brought back taste and variety to our tables. **FOOD FIGHT** is a fascinating look at how American agricultural policy and food culture developed in the 20th century, and how the California food movement has created a counter-revolution against big agri-business. *For more info check out www.foodfightthedoc.com*
